Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

1 The History Of Credit

The history of how credit came to be. 1970 Decline into Debt: The debt skyrocketed because people continued to borrow money as they had done before WWII, but the difference was they didn't have well paying jobs like they used to. Banks were willing to lend more because it would mean they would be making even more huge profits off consumer debt.

History of Credit in America Timeline | Sutori

Bank-issued charge cards originated in 1946 when a Brooklyn banker named John Biggins launched the Charg-It card. Charg-It purchases were forwarded to Biggins' bank, the middleman that reimbursed the merchant and obtained payment from the customer in what came to be known as the "closed-loop" system.

A brief history of credit scoring and credit reporting

Length of credit history refers to the amount of time a specific account has been open. Confusingly, though, it's also used to refer to the FICO score calculation category we've been talking about in this post. Credit age, on the other hand, refers to an average: The bureau finds the mean length of credit history for all your open accounts.
