A Brief History Of Neoliberalism

"The many strengths of A Brief History of Neoliberalism cannot be adequately conveyed in this short space, but include powerful analyses of the devastating impact of neo-liberalism on the environment and labouring conditions (especially for women), a nuanced perspective on the external and internal forces compelling states to turn towards neo-liberalism, and the ways in which Marx's concept of "primitive accumulation" is highly pertinent to the neo-liberal era of capitalism."--

A Brief History of Neoliberalism: Harvey, David ...

A Brief History of Neoliberalism was written shortly before the current economic recession, and has become even more 'appealing' at a time when many are searching for both answers and blame. Critique of the current system and its damage is important.

A Brief History of Neoliberalism by David Harvey

As the critics' note A Brief History of Neoliberalism is hard to follow in places and this is likely because Harvey does not wish to leave any aspect of the doctrine's impact undeveloped. At one point he issues predictions of its damaging likelihoods, and three years later in 2008-9 Financial Crisis his analysis is quite accurate.
