A Bibliography of Jim Williams - MIT

Microsoft's note app is more of a note storing receptacle than a full-featured note-taking app. That being said, it's got plenty of useful features for iPad owners with an Office 365 subscription. Even if you don't you can import and edit documents for free. You just need a Microsoft or Skype account.

Best note-taking apps for iPad and Apple Pencil | iMore

This application note documents the mathematics of orientation determination using a three-axis accelerometer. The techniques are applicable to both digital accelerometers and, after signal digitization, to analog accelerometers. For convenience, it is assumed that the accelerometer is mounted in a smartphone or
