Monoculture How One Story Is

Now imagine that one of those stories is taking over the others, narrowing our diversity and creating a monoculture. Because of the rise of the economic story, six areas of your world - your work, your relationships with others and the environment, your community, your physical and spiritual health, your education, and your creativity - are changing, or have already changed, in subtle and not-so-subtle ways.

Monoculture: How One Story Is Changing Everything ...

The premise is that every period in history is dominated by a master story (e.g. the religion story, the science story), and that our period is dominated by the economic story. Monoculture refers to the effect that this master story has on culture: "one narrative in society that takes over the others, shrinking diversity and forming a monoculture."

Monoculture: How One Story is Changing Everything by F.S ...

- The governing pattern of a culture; the master story; past monocultures; the monoculture of the early 21st century. 2. The One Story - Your personal mythology; the larger stories of the culture; cultural stories represented by six areas of activity in society; the assumptions of the master story that shape who we are, what the world is like, and how we and the world interact.

Monoculture: How One Story Is Changing Everything by F. S ...

the monoculture is economic is that the master story is all about money — how to get it, make more of it, spend it, grow it, or keep it, whether that looks like consumerism, commercialism, or materialism. But that's only true of the economic monoculture at a surface level. Though the monoculture naturally embodies issues surrounding money.

Monoculture How One Story Is Changing Everything 1st ...

In Monoculture, F.S. Michaels draws on extensive research and makes surprising connections among disciplines to take a big-picture look at how one story is changing everything: corporations, corporate social responsibility, and business ethics; families, communities, social services, and philanthropy; nature and biodiversity; government, the public and private sectors, prisons, and public libraries; health care and medicine; religion, Christianity and churches; education, universities, and ...

Monoculture: How One Story is Changing Everything - Kindle ...

Which is ironic: because Monoculture is about one story. (And I know how much you all love to read stories.) The premise of F.S. Michaels' work is that our culture is shaped by a single, master story. It's one "narrative in society that takes over the others, shrinking diversity and forming a monoculture".

San Diego County Library

The word monoculture comes from the world of agriculture, applied to the planting of one crop to the exclusion of all others—which inevitably damages carefully balanced ecosystems. This book uses monoculture as a metaphor for contemporary society. The resulting damage has not simply been ecological (though it certainly has been that).
