Sun and True Lunar Node aspects in the Synastry Chart: How ...

Sun Conjunct South Node. (Sun conjunct South Node oppose North Node) In your previous incarnation it appears that you may have been at the centre of attention, possibly a public figure and more than likely one of authority, maybe you were just a father of many children, maybe you were a judge nothing is certain but either way more than one person was either forced to follow you or simply admired and looked up to you in some way.

Sun Nodes aspects | Astrology | William Lamont Astrologer

The South Node represents ways of thinking and being we are most familiar with, and if you believe in reincarnation, then it’s what we bring into this life from past ones. This conjunction is all about pure comfort for both of you, so it is no surprise you enjoy spending time together.

south node conjunct sun in synastry | RealAstrologers

The South Node in Synastry. When there are conjunctions to the South Node in synastry (your South Node on one of their planets or theirs on one of yours), the South Node person’s entire way of being resonates with one of the other’s planetary functions. For example, their South Node is on your Saturn, and their entire way of being somehow correlates with your work in the world, your maturation process, or some kind of hard lesson (a Saturn cliché but for a reason).

The South Node in Synastry - Monarch Astrology

South Node conjunct North Node in Synastry: The South Node represents “where we’ve been,” while the North Node represents “where we’re going.” This synastry aspect indicates each person has developed the traits and qualities the other needs for their personal growth. As such, this is a very significant synastry connection.
