The Compound 1 Sa Bodeen

The Compound by S.A. Bodeen is a nice dose of originality in the often cluttered genre of YA fiction. Eli has been in the compound for six years and in that time has learned to hate it, and himself. When they entered the compound, believing there was a nuclear war, Eli was separated from his twin brother.

The Compound is a 2008 fictional young adult novel by S. A. Bodeen. The book was first released on April 29, 2008 through Feiwel & Friends and centers upon a young man named Eli who has been living in a compound for six years. Bodeen came up with the idea of including cannibalism in the novel after watching a television show where "a dinosaur fed a favorite offspring the bodies of its less fortunate brothers and sisters."
