extremely simple. I would definitely make it again. Seemed like more than the sum of its parts. Following @TrishaCP's comment about the couscous cooking unevenly, I made sure to distribute it very evenly in the pan, and I also left it soaking in the stock for a little while as I prepared the salmon.

The concept of The Roasting Tin is you let the oven do the work. All that's required from you is a little preparation while your oven heats up, then you chuck all the ingredients together and leave the oven to get on with cooking dinner. It's all about minimal effort and maximum flavour, nutrition and ease.

Wash beets well. Wrap individually in foil and put them on cookie sheet or roasting pan. (If you're planning to use them all at once, right away, just put in roasting pan or heavy skillet, and cover.)

Cook, undisturbed, for at least 45 minutes (it could take much longer for big ones), until a thin-bladed knife pierces one with little resistance.
