Although The Way Cool License Plate Book will principally be a book for recreational reading, teachers could use it for curricular purposes as well. For example, an English or History teacher might share some of the book's vanity plates and then ask her/his students to create the vanity plates that would belong to fictional characters from literature or real historical figures.

Idaho was the first state to manufacture license plates with a graphic on them in 1928. Fittingly for Idaho, the graphic was a potato. Soon after, Pennsylvania produced the first personalized license plate in 1931. According to licenseplates.tv, "As Americans became more prosperous, custom or official vanity license plates became very popular."
