Abstract and Keywords. The discussion of leadership in Western political philosophy has been marked by a durable tension between the expertise and creative possibilities of leadership,

## Read Free Western Political Theory In The Face Of The Future 2nd Edition

on the one hand, and the dangers of leadership, the need to control the exercise of power, on the other. A parallel tension is expressed in the stark contrast between a ruler doing whatever he thinks he needs to do to retain his power and accomplish his goals, and the duties and obligations of political leaders.
